基金簡介

MST Introduction

本基金於1984年，由循道公會英語堂（現改稱：循道衛理聯合教會國際禮拜堂）的熱心教友捐款而成立，及其後由循道衛理楊震社會服務處執行行政管理。基金旨在支援傷健及有經濟困難之學生學業相關開支，幫助他們實踐學業的理想。

In 1984, the Methodist Study Trust was established by the Methodist Church (English Speaking) (now renamed as Methodist International Church, Hong Kong) through the generous donations from its church members and has been administered by Yang Memorial Methodist Social Service. The aim of the Study Trust is to enable disabled and deprived family students to complete their education by providing financial support to them on school-related expenses.

基金幫助對象

Target Students of the Trust

就讀中四或以上之中學、專上學院或大學內就讀之全日制課程學生，包括肢體傷殘或有經濟困難之學生。

Students enrolled in full-time courses in Form 4 or above in secondary schools, vocational colleges, or universities, including students with physical disabilities or students from economically disadvantaged families.

資助範疇

The scope of assistance

包括學校費用、補習費、交通費、參考書、學習相關輔助儀器用品等與學業發展相關項目。

It includes school fees, tutorial fees, transportation expenses, reference books, and learning-related auxiliary equipment and supplies, all of which are related to academic development.

基金撥款委員會主席的話

Words from Chairman, Student Vetting Committee

親愛的循道教會助學金的朋友們，

謹代表循道教會助學金 (MST) 和所有受惠學生，對您的慷慨和善意表示誠摯和感激的謝意。每年，當我遇見許多申請助學基金資助的學生時，聽到他們在年輕的生活中所經歷的許多挑戰和困難總是讓人深受觸動。與此同時，聽到這些受惠學生如何主動採取行動去克服障礙，並擁有如此決心要在教育上取得成功，是非常鼓舞人心的。

去年是創立助學基金的40周年，在The Hong Kong Club Foundation主席John Budge的協助下，該會慷慨捐款830,000元。這筆資金與助學基金的自有資金結合，一共305名學生獲得總值940,532.80元的資助。這是助學基金歷史上的一個了不起的成就和里程碑。除了慷慨資助之外，The Hong Kong Club Foundation成員提供協助和支持，優化助學基金申請流程，並促進如何更好地向學生宣傳助學基金。

我要對我們的團隊表達最誠摯的謝意，特別是支持助學基金委員會工作的林晴滔先生及其團隊，以及循道衛理楊震社會服務處的總幹事林俊明先生，他們的持續投入奉獻和支持是無價的。

願上帝繼續祝福助學基金的工作，所有為之服務的人以及所有受惠學生。

感謝您。

祝一切順利。

范爾敦牧師
國際禮拜堂主任牧師／
基金撥款委員會主席

Dear Friends and Fellow Supporters and Donors of the Methodist Study Trust,

On behalf of the Methodist Study Trust (MST) and all student recipients of educational grants, may I offer sincere and grateful thanks to you for your generosity and kindness.

Each year, as I meet many of the students who apply for MST grants, it is always deeply moving to hear of the many challenges and difficulties which they have had to endure in their often-young lives. But it is also wonderfully inspiring to hear how these students have taken initiative, navigating their way around obstacles, and have such determination to succeed in education.

Last year, the 40 th year of MST, with the assistance of the Chair of the Hong Kong Club Foundation, Mr John Budge, the Foundation generously contributed \$830,000. This money combined with the Trust's own money enabled grants to be awarded to 305 students, totaling \$940,532.80. This is a marvelous achievement and milestone in the history of the Trust. Alongside the generous grant, the Hong Kong Club Foundation members have offered advice and support in streamlining the application process and how to better promote the Trust among students.

I want to express my sincere thanks to our own team who support the work of the grants committee especially Mr Steven Lin and his team and the Director of Yang Memorial Methodist Social Services Mr Patrick Lam, who ongoing commitment and support is invaluable.

May God continue to bless the work of MST and all who serve and all students who access our grants.

Thank you.

With every good wish,

The Rev. Edan Fletcher
Senior Pastor,
Methodist International Church/
Chairman of MST Student Vetting Committee

學生分享 Students' Sharings

在我大學的最後一年，我獲得了2024-25年度循道教會助學基金的助學金，這對我來說意義重大。作為一名心理學專業的學生，我希望未來能夠報考碩士學位，而這需要達到一定的語言水平。助學金不僅減輕了我的經濟壓力，還幫助我支付了雅思考試的費用，讓我成功獲得了報考碩士的語言資格。

由於我的生活開支主要依賴自己的打工收入，這讓我在學業上感受到不少壓力。在忙碌的學習和生活中，能夠專心準備雅思考試和撰寫畢業論文是非常重要的。助學金的支持使我能夠全心投入學習，最終我在雅思考試中獲得了理想的成績，並且我的畢業論文也得到了A的成績，這都是我努力的結果。

這筆助學金不僅是金錢上的支持，更是對我夢想的肯定和鼓勵。每當我在圖書館裡專心研究，或是在課堂上積極參與討論時，我都能感受到助學基金對我的支持。我明白，這份支持讓我更加堅定了追求心理學碩士學位的決心。

我希望我的故事能夠鼓勵更多的學生，也讓更多的人了解助學基金的重要性。感謝循道教會助學基金，讓我能夠在學業上發光發熱，邁向更美好的明天。

朱麗怡 Lia

In my final year of university, I was awarded Methodist Study Trust for the academic year 2024-25, which held great significance for me. As a psychology major, I aspire to pursue a master's degree in the future, which requires reaching a certain language proficiency level. The scholarship not only alleviated my financial burdens but also assisted me in covering the fees for the IELTS exam, enabling me to attain the language qualification necessary for my master's application.

Relying primarily on my earnings from part-time work to sustain my living expenses, I often felt the pressure in balancing my studies. Amid the hectic academic and personal commitments, devoting my focus to preparing for the IELTS exam and crafting my thesis was crucial. The support of the scholarship allowed me to fully immerse myself in my studies. Ultimately, I achieved the desired results in the IELTS exam and received an 'A' grade for my thesis, outcomes of my dedicated efforts.

This scholarship was not just a financial aid but also a validation and encouragement towards my aspirations. Whether engrossed in research at the library or actively engaging in classroom discussions, I felt the unwavering support of the Methodist Study Trust. I realize that this backing has strengthened my resolve in pursuing a master's degree in psychology.

I hope my story can inspire more students and increase awareness about the importance of Methodist Study Trust. I am grateful to the Methodist Study Trust for enabling me to shine academically and move towards a brighter future.

全賴有您們的支持，讓基金同學的理想再啟航！

Your support to MST students encourage them to fly up high!

林心萍 Pinky

很榮幸可以得到邀請分享助學金對我的重大意義。由於我的父母離異，自幼我跟隨母親長大，而母親亦因為長期的壓力患上了精神疾病，居住於成人宿舍，無法給予我經濟上的支持。因此，我曾一度猶豫是否需要犧牲學習時間去兼職工作，而我也確實這麼做了，在不久後我的成績便一落千丈，同時兼顧學業與工作的日子讓我身心俱疲。

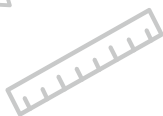

但好在不久後，我得到了不少的援助，其中便包括循道教會助學基金的幫助。我終於得到了喘息的機會，讓我能夠好好專注於學業的發展，不再為經濟壓力而分心。這筆助學金減輕了我的經濟負擔，也讓我更有信心面對學業上的挑戰。

我由衷的感謝循道教會助學基金對我的支持，你們的幫助不僅改變了我的求學旅程，更照亮了我的未來，讓我能安心的朝著環境工程方向持續進修，期望未來能夠成功升讀本地大學。同時，我也期待更多學生像我一樣，因為這份助學金而擁有繼續追求理想的機會。

I am honored to have the opportunity to share the profound significance of the Methodist Study Trust in my life. Growing up with my mother due to my parents divorce, she has been battling mental health issues and residing in adult dormitories, unable to provide me with financial support. At one point, I contemplated sacrificing study time to take on part-time work, which I eventually did. However, my grades plummeted shortly after, and the days of balancing work and studies left me physically and mentally exhausted.

Fortunately, I received significant assistance not long after, including support from the Methodist Study Trust. This support enables me to focus wholeheartedly on my academic development without the distraction of financial pressures, lightening my financial burden, and bolstering my confidence in facing academic challenges.

I sincerely appreciate the support from the Methodist Study Trust. Your assistance not only altered my educational journey but also illuminated my future, enabling me to pursue further studies in environmental engineering with peace of mind, aspiring to successfully enroll in a local university in the future. I eagerly anticipate more students, similar to myself, seizing the opportunity to pursue their dreams, thanks to Methodist Study Trust.

黃心華 Samrah

從小，我便立志投身醫護行業，希望未來能成為一名專業的醫護人員，用自己的力量幫助他人。然而，追夢的道路並不容易，尤其是面對香港中學文憑考試DSE的挑戰時，我深知自己必須在學業上付出更多努力。

由於家庭經濟條件有限，我無法負擔額外的補習費用，但DSE成績對我未來報讀大學醫護課程至關重要。尤其是在英文作文和生物科這兩門科目上，我始終感到有些力不從心。英文作文需要靈活的表達技巧和紮實的語言基礎，而生物科則涉及大量複雜的理論和應用題，這些都是我需要加強的弱項。

正當我為此感到焦慮時，循道教會助學基金向我伸出援手。這筆助學金給了我一個難得的機會，讓我能夠參加針對DSE的補習課程。透過補習，我不僅學到了許多實用的答題技巧，還對考試的題型和評分標準有了更深入的了解。老師們針對我的弱點給予專業指導，例如在英文作文中如何組織結構清晰的段落，以及在生物科中如何高效記憶重點知識並應用於實際題目。這些幫助讓我逐漸找回信心，也讓我更明確了自己的學習方向。

這筆助學金不僅僅是經濟上的支持，更是對我夢想的肯定。它讓我明白，社會上有許多人願意幫助學生實現目標，這種溫暖與鼓勵讓我更加堅定了未來投身醫護行業的決心。我希望能通過自己的努力，在DSE中取得優異成績，順利進入大學攻讀醫護相關課程，將來用專業知識回饋社會，幫助更多有需要的人。

最後，我想再次感謝循道教會助學基金的慷慨援助。這份支持讓我看到了希望，也讓我更堅信，只要堅持努力，夢想一定可以實現。我也希望更多像我一樣的學生能夠獲得這樣的幫助，讓他們的求學之路走得更加順暢。

From a young age, I have been determined to pursue a career in the healthcare industry, aspiring to become a professional healthcare worker and use my abilities to help others. However, the path to realizing my dreams has not been easy, especially when faced with the challenges of Hong Kong Diploma of Secondary Education Examination (HKDSE). I am well aware that I must exert greater effort in my studies.

Due to limited family finances, I could not afford additional tutoring fees, yet HKDSE results are crucial for my future enrollment in a university healthcare program. Particularly in subjects like English composition and Biology, I have consistently felt inadequate. English composition demands flexible expression skills and a solid language foundation, while Biology involves a plethora of complex theories and application questions—areas where I needed to strengthen my weaknesses.

Just as I was feeling anxious about this, the Methodist Study Trust reached out to lend me a helping hand. This bursary provided me with a rare opportunity to participate in supplementary courses tailored for the HKDSE. Through these classes, I not only acquired practical answering techniques but also gained a deeper understanding of the exam formats and grading criteria. Teachers offered professional guidance on my weaknesses, such as structuring clear paragraphs in English composition and efficiently memorizing key knowledge and applying it to practical Biology questions. This assistance gradually restored my confidence and clarified my learning direction.

This bursary is not just financial support, it is a validation of my dreams. It made me realize that there are many people in society willing to help students achieve their goals. This warmth and encouragement have strengthened my determination to pursue a career in healthcare. I hope to achieve excellent results in the HKDSE through my efforts, smoothly enter university for healthcare-related studies, and in the future, give back to society by helping those in need with my professional knowledge.

Finally, I would like to express my gratitude once again to the Methodist Study Trust for their generous assistance. This support has shown me hope and reinforced my belief that with perseverance, dreams can surely be realized. I also hope that more students like me can receive such help, making their educational journey smoother.

Your support to MST students encourage them to fly up high!

Hab Rumman Tala

去年，我向循道教會助學基金申請幫助，因為我深知我在香港的經濟狀況並不樂觀。父母無法在此工作，這意味著我們在經濟上面臨著諸多困難，尤其是支付日常開支和學校費用。

在助學金的面試中，我向他們分享了我的故事。我向他們描述了我香港的處境和為何需要幫助。我與之交談的人都非常友善且理解，他們細心傾聽，對我的生活感興趣。他們問及我的興趣愛好以及未來的志向，我感覺與他們交談很舒服，因為他們很友好，這讓我感到十分舒適與放心。

在面試過程中，他們表達願意盡力幫助我。他們還鼓勵我，若將來再遇到困難，可以再度申請向他們尋求支持。他們的言語激勵著我更加努力，為了實現目標奮力向前。得知即便畢業後，他們仍會為我提供教育支持，我倍感欣喜。作為他們支持的一部分，他們提供了一筆實質的資金。流程非常迅速，我很快收到了這份支援。這筆錢幫助我支付交通費用，這對我很重要，因為學校與家相隔遙遠，交通成本可能很高。此外，我也利用部分資金購買了學習用品，如文具和教科書，這些對我的學業十分必要。

畢業後，我計劃申請嶺南大學或香港都會大學，及參加一間寵物學院的課程。自小以來，我對動物有著濃厚的興趣，若能更深入了解寵物，我定會樂不可支。這門課程包括教授如何照顧寵物，深入了解牠們的身體結構，以及在牠們受傷時如何施予協助。此外，我也懷抱成為糕點師的夢想。自我小時候起，我便在協助媽媽做烘焙，漸漸地也開始自己動手製作許多糕點。對於哪所大學有烘焙課程尚不太確定，但我將持續尋找。

最後，再次感謝循道教會助學基金的慷慨支持！

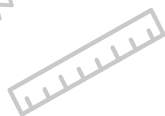

Last year, I applied for help from the Methodist Study Trust because my financial situation in Hong Kong is not very good. My parents are not allowed to work here, which means we do not have a lot of money. This makes it hard for us to pay for daily needs and school expenses.

When I had my interview with the Methodist Study Trust, I shared my story with them. I explained my situation in Hong Kong and why I needed support. The people I talked to were very kind and understanding. They listened to me carefully and seemed interested in my life. They asked about my hobbies and what I want to do in the future. I felt comfortable talking to them because they were friendly.

During the interview, they told me that they were willing to help me as much as they could. They also encouraged me to apply for support next year if I face any more challenges. Their words motivated me to work hard to achieve my goals. I was happy to hear that they would also help me with my education after I graduate from school. As part of their support, they provided me with a good amount of money. The procedure was very fast, and I received the money in a short time. This money helped me pay for transportation, which is important because my house is far from my school and transportation costs can be high. I also used some of the money for school supplies, like stationery and textbooks, which I need for my studies.

My after-graduate plans are to apply for Lingnan University or Hong Kong Metropolitan University, and to take a course in pet academy. Learning about animals has always been my interest since I was young, and I would be very happy if I was able to learn more about animals. The course includes how to treat a pet, to learn more about their bodies and how to help them when they are injured. My other plan is to be a pastry chef. Since I was young, I have always helped my mom with baking, and as I got older, I started baking many pastries myself. I am not very sure which university has a course for pastry, so I am still looking forward to it.

Last but not least, thank you to Methodist Study Trust for supporting me!

學生分享 Students' Sharings

你好！我是Joyce Fung，曾在2023年至2025年期間受惠MST。MST是一個已經幫助許多學生超過40年的組織。它也給了我很大的幫助。讓我來說說MST如何在我需要的時候幫助了我。

首先，我從學校通知中得知了MST，通知描述了MST如何幫助了許多面臨財務困難的學生。作為一個在財務上有困難的學生，我相信MST可以幫助我度過困境。事實上，我對繪畫有著極大的熱情。進行繪畫需要各種工具和材料，而這些都需要花錢購買。因此，我決定申請MST的資助以在財務上幫助我實現我的目標。

讓我講述如何使用這筆資助，以及它是如何幫助我的，好嗎？我用這筆錢購買了參考書籍、繪畫筆、塑膠彩和水彩等顏料以及繪畫紙。我開始觀看一些教程，學習如何使用塑膠彩顏料和水彩進行繪畫。同時，我閱讀了我購買的參考書籍，以提高我的繪畫技巧和美學品味。我甚至嘗試了不同的藝術風格，找到適合自己和屬於自己的風格。在這兩年的時間裡，我的繪畫技巧變得更上一層樓。我了解到一幅宏偉的藝術品背後需要許多的調整和努力。我很高興能從MST的幫助中獲得這點小成就。

MST伸出援手幫助那些在財務上掙扎並渴望實現夢想的人。作為受惠者之一，我要對在財務上支持我的人（贊助者）表達最誠摯的感謝。因此，我可以在繪畫中獲得更多經驗，為我的生活增添一抹色彩。這讓我的生活變得更加輝煌和有意義。在未來，我相信我會保留對藝術方面的熱情，無論是不是不可預測的。我想說，不要猶豫去實現你的目標，即使它是虛幻的。如果你不嘗試，你甚至都沒有成功的機會。即使現在對你來說只是一小步，對於你的成就來說卻是一個巨大的飛躍。

馮樂然 Joyce

Hi there! I am Joyce Fung, a former MST beneficiary from 2023-25. MST has been an organization which has helped many students for more than 40 years. Also, it helped me a lot. Let me illustrate how MST helps me in need.

First, I heard MST from my school notice which describes MST has helped a myriad of students who struggle with financial issues. As a student who struggles with finance, I believe that MST could help with my adversity. In fact, I have a vast amount of passion for painting. It requires tools and media to paint, and these things need money to buy. Therefore, I decided to apply for the MST grant to help me financially and achieve my goal.

Let us see how I use the grant and how it helps me, shall we? I used the money to buy reference books, painting brushes, paints like acrylic and watercolors and drawing papers. I started to watch some tutorials on how to paint with acrylic paints and watercolor. At the same time, I read the reference books I bought to brush up my painting skills and aesthetics. I even tried different art styles to find suitable ones for myself and my own style. Within these 2 years, my painting skills were getting more progressive. I learnt that behind a magnificent art piece requires a lot of adjustments and efforts. I was glad that I could have this little achievement from MST help.

MST lends their helping hand to those who struggle financially and are desperate to achieve their dream job. As one of the beneficiaries, I want to express my deepest gratitude to the people who supported me financially (patrons). Therefore, I could gain more experience in painting and add a stroke of color in my life. This makes my life more splendid and meaningful. In the future I believe that I will reserve my passion in arts aspects, be it unpredictable or not. I want to say, do not hesitate to achieve your goal, even though it is illusional. If you do not try, you will not even have the chance to succeed. Even though that is one small step for yourself now, it is one giant leap for your achievements.

Your support to MST students encourage them to fly up high!

鄭依霖 Yennie

我是Yennie，一名從2023年到2025年受惠於循道教會助學基金(MST)的學生。我想分享我與MST的關聯。

自從2022年以來，我的家庭陷入債務和財務困境。更雪上加霜的是，我正在為大學入學考試做準備，我家每年花費約6萬港幣僅用於補習費，以獲得更好的學習資源。學習對我來說是最重要的，因為我認為這是我未來獲得更高生活品質的唯一途徑。起初，我幾乎無法專心學習，因為我擔心自己是否能在每個月底支付下一期的補習費。

在我高中的第二年，即2023年，我的社工告訴我關於MST。我申請並與捐助者進行了面談。從2023年到2025年，我總共收到了1萬1千港幣。雖然與我的補習費相比，這不是一個巨額預算，但它確實幫助我度過困難時期，應對財務壓力。因此，我不再總是擔心賬單，相反，我能夠更專注於我的學業進度。

此外，我想提到我的第二次申請面試是一次令人難忘的經歷。這次面試是在考試前5個月舉行的，我每天都感受到壓力。我認為捐助者和助學基金職員能感受到我的恐慌，因此他們說了许多支持和鼓勵的話。我終於感到被理解，被人情的溫暖打動。因此，我認為MST的意義不僅在於提供財務支持，幫助學生實現目標，還在於向世界傳遞善意。

現在，我正在攻讀建築學學士學位課程，以追求我的夢想。多虧了MST，我能夠充分準備考試，學習我一直渴望的學科。我相信MST將繼續促進學生的夢想，並為社會貢獻更多潛力青少年。最後，我要向MST，包括職員和捐助者，表達最誠摯的感謝。MST真正實踐著“助學燃希望 送暖啟學途”的口號。

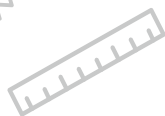

I am Yennie, a student who was benefited by the Methodist Study Trust (MST) from 2023 to 2025. I would like to share my association with the MST.

Since 2022, my family has gotten into debts and financial difficulties. To add insult to injury, I was preparing for a college entrance exam and my family spent around 60 thousand Hong Kong dollars just on tutorial fees every year to gain better study resources. Studying was the biggest priority for me as I thought it was the only pathway for me to obtain a higher quality in future life. At the beginning, I could barely concentrate on studying because I was worrying whether I could pay the following tutorial fees at the end of every month.

In 2023, the second year of my high school, my social worker told me about the MST. I applied and had an interview with the donor. I received a total of 11000 Hong Kong dollars from 2023 to 2025. Although it was not a huge budget, compared to my tutorial fees, it did help me pass through the difficult times and cope with the financial stress. Thus, I did not have to always be concerned about the bills, instead, I was able to focus more on my study progress.

Moreover, I would like to mention that the interview for my second application was a memorable experience. It was held 5 months before the examination, and I was under pressure every single day. I thought the donor and the staff member could feel my panic, so they said a lot of supporting words and encouragement to me. I finally felt understood and I was touched by the warmth of human-beings. Therefore, I reckon that the meaning of the MST is not only to provide financial support to help students achieve their goals but also to spread kindness to the world.

Now, I am studying a bachelor's degree programme in architectural studies to pursue my dream. Thanks to the MST, I could be well-prepared for the examination and study the subject that I had been desiring to. I believe the MST will keep facilitating students' dreams and contributing more potential teens to the society. Last but not least, I would like to express my sincere appreciation to the MST, including the staff and the donors. The MST is truly carrying out "Enlighten Our Youth Generation, Brighten Their Future Vision".
